## SHORT TITLE

SECTION 1. This Act may be cited as the "Drug Abuse Education Act of 1970".

## STATEMENT OF PURPOSE

SEC. 2. (a) The Congress hereby finds and declares that drug abuse diminishes the strength and vitality of the people of our Nation; that such abuse of dangerous drugs is increasing in urban and suburban areas; that there is a lack of authoritative information and creative projects designed to educate students and others about drugs and their abuse; and that prevention and control of such drug abuse require intensive and coordinated efforts on the part of both governmental and private groups.

(b) It is the purpose of this Act to encourage the development of new and improved curricula on the problems of drug abuse; to demonstrate the use of such curricula in model educational programs and to evaluate the effectiveness thereof; to disseminate curricular materials and significant information for use in educational programs throughout the Nation; to provide training programs for teachers, counselors, law enforcement officials, and other public service and community leaders; and to offer community education programs for parents and others, on drug abuse problems.
